A Note from the Nominating Committee

As we begin preparing for the coming year, the Nominating Committee invites you to prayerfully consider where God may be leading you to serve.

The work of the church takes all of us. God has given each one of us gifts, talents, experience, and a heart that can make a difference. Some roles are more visible, and some happen quietly behind the scenes, but every act of service matters. Each one helps strengthen our church family and further God's work in our church.

There is a place for everyone to serve. Whether you have served for many years or are wondering where to begin, we encourage you to be open to how God may use you in the life and ministry of our church. No specific expertise is required, only a willing heart to serve.
